***Important! This pricelist cancels all the previous ones and is different from the camping pricelist. \*price range up to availability. Remember that direct booking with us is the cheapest option. So contact us directly.***

## Important information – Booking conditions

1. The availability request is an application for reservation and there is no commitment from your side or from the camping reception and management.
2. After the availability of accommodations is confirmed by the Camping reception, you will be given a bank account for the advance payment.
3. Your reservation is valid only following a deposit of the amount that will be agreed with the person responsible for the reservations and you will be charged with all of the bank expenses.
4. The advance payment should be proven by a copy of the bank deposit note.
5. Minimum number of nights for any reservation is 3 overnights.
6. Reservations for the specific accommodations can take place only after the reception confirmation. Also, reservations for specific bungalows/caravans or types of bungalows /caravan for rent can be confirmed only by the camping reception.
7. Check-out is before 11.00. Check-in time starts from 15:30 until 21.30 (you must contact us for late check in)
8. **Pets are not allowed in our rental caravans and bungalows.**

## Cancelation Policy

1. Due to covid-19 new environment cancellation policy may be different than the one below. The one that will be provided be email through to the reservation procedure will be the final one,
2. In case of a reservation cancellation, the advance payment is returned to you only if the cancellation has been performed 21 days before the scheduled arrival date.
3. In case of cancellation in less than 21 days the guests are charged 50% of the advance payment. Cancellation in less than 10 days before the scheduled arrival occurs no prepayment refund.
4. 3. In case of a reservation cancellation during your stay, you are charged with the 50% of the total cost of the remaining overnights agreed and the full cost of the overnights before the cancellation. (Example. Reservation is for bungalow 1-10/6, 9 nights totally at the price of 100 Euros per night. After 3 nights reservation is cancelled. Total cost will be  $3 \times 100 = 300$  plus  $6 \times 50 = 300$ . Total cost after cancelation is 600 Euros)

All of these details must be clear in case of any misunderstanding.

Our main and most important rule is to offer you our best services for your precious holiday time. And this is what we are going to do!
